

john merkit

web developer and UI/UX Designer

About Me

I'm John Merkit, a Computer Science graduate from Chuka University and an alumnus of Power Learn Project Academy. My academic path started at St. Paul's Primary School, continued through Kapenguria School, and has shaped me into a passionate web developer and UI/UX designer, driven to create impactful digital experiences.

Education

Bachelor of Computer Science

Chuka University

2020-2024

I am a passionate Computer Science graduate from Chuka University (Class of 2024). With a strong foundation in software development, problem-solving, and technology innovation, I am eager to apply my skills to real-world projects and continuously grow in the tech industry.

Web Developer and UI/UX Designing

Power Learn Project Academy

2024-2025

I am an alumnus of Power Learn Project Academy, where I spent an exciting year mastering Web Development and UI/UX Design. Fueled by a passion for technology and creativity, I design digital experiences that are not just beautiful – but meaningful. I am driven by a deep desire to create real impact through every website, app, and user interaction I craft.

Experience

web developer and UI/UX designer

power learn project

2024-2025

In 2024–2025, I gained hands-on experience at Power Learn Project Academy, solving real-world problems and enhancing my web development and UI/UX design skills. Additionally, I expanded my knowledge through self-guided learning via YouTube tutorials, improving my technical abilities and problem-solving mindset.

hardware and computer repairs

Lexer Technologies

2022-2023

At Lexers Technologies (2022–2023), I gained hands-on experience repairing computer hardware, including diagnosing issues and fixing components like screens and keyboards. I also helped upgrade and maintain systems to improve performance.

Skills

- Web Development (HTML, CSS, JavaScript)
- UI/UX Design (Figma, Adobe XD, User Research)
- Responsive Design
- Frontend Frameworks (React.js basics if you know it)
- Problem Solving
- Version Control (Git & GitHub)
- Team Collaboration
- Creativity and Impact-driven Design
